

HANNA, INDIANA JULY 24 - 27, 1958

HANNA CENTENNIAL 1858 - 1958

HANNA, INDIANA JULY 24 - 27, 1958

PREFACE

This pictorial record of the Hanna Centennial Celebration held July 24 - 27, 1958, has been compiled by the Centennial Committee. It is an historical record of the highlights of that community-wide observance, told in pictures, gathered from many sources from those who made an effort to record the events and to show individuals who participated in the celebration.

Not all people shown in the pictures have been identified, but we hope the record is sufficiently complete to make the book a very valuable keepsake to all Hanna people.

It is hoped that every family and many individuals who do now, or have in the past, claimed Hanna as "home", will want to own, and keep for years to come, one of these pictorial records of the Centennial which was by far the greatest single event held in Hanna since the town was established in 1858.

From the air - 100 years later
